

**RESOLUTION NO. 23**

Dated October 13, 2000

**On Introducing Amendments and Supplements to the 1<sup>st</sup> point of the ERC  
Resolution No. 26, dated September 28, 1999**

The Energy Regulatory Commission of the Republic of Armenia **resolves**:

1. To write the 3<sup>rd</sup> and 4<sup>th</sup> points of the “Procedure on calculation of residential customers energy consumption during the transit to the multi-tariff energy system”, approved by the ERC Resolution No. 26, dated September 28, 1999, in the following edition:  
  
“3. In case, the customer wishes to install a multi-tariff meter by his own initiative, he should refer a written application to the energy supplying company, which imposes the following obligations on the customer:
  - a) to install the meter within 1 month after the meter value is paid, to revise the effective contract on energy supply and to sign a contract on compensation of meter cost.
  - b) the meter purchased by the customer should be correspondent to those types of multi-tariff meters to be installed and operated by the distribution company, and it should be calibrated and installed not later than within 5 days after receiving an application; to revise the existing contract on energy supply (in this case the value subject to compensation is considered to be the cost of the meter, which was lately purchased by the energy supplying company by means of a tender), to sign a contract on compensation of the meter value.

The calibration, sealing and installation costs should be paid on the account of the energy supplying company “.

“4. The energy supplying company shall register the cost of the meter as advance payment for the electricity and compensate it in size of 100 % of the monthly payment for the electricity consumed during the hours of night-time tariff, upon the expiration of one year after the meter installation.

Not later than once a quarter, the energy supplying company should publicate the list of meter types, which were installed and operated by the given company – upon the makes and prices”.”

2. This Resolution becomes effective from the moment of its official publication.
